

# TANK TRANSPORT

The National Newspaper of the Liquid and Dry Bulk Transportation Industry

Since 1986

TRADER

MEDIA  
CARD  
2018

YOUR  
DIRECT  
ROUTE  
TO THE  
LIQUID  
AND  
DRY BULK  
TRANSPORTATION  
INDUSTRY

With a monthly distribution over 20,000, no other publication offers a more direct route to the liquid and dry bulk transportation marketplace than Tank Transport Trader. Published monthly, you are assured of reaching new markets unattainable with other publications.

By advertising on one or both of our websites at [www.TankTransport.com](http://www.TankTransport.com) or [www.ETrucking.com](http://www.ETrucking.com) you will expand your marketing reach to the ever expanding universe of internet users who are constantly searching for new suppliers to fill their equipment and service needs. Advertise in our annual Product/Service Directory and Buyer's Guide and your message will have a long term shelf life reaching those buyers who want to have your contact information within arms length when they need your services.

We publish a digital version of both Tank Transport Trader and the Product/Service Directory and Buyer's Guide. Both are emailed directly to our growing opt-in digital subscriber base.

We offer a wide range of advertising sizes to enable even the smallest of advertisers to reach their specific marketing targets on an affordable budget.

Our readership includes transporters of:	Aggregates	Feed/Flour/Grain	Paints
	Acids	Fertilizers	Pesticides
	Asphalt	Grease	Petroleum Products
	Aviation Fuels	Hazardous Waste	Plastics
	Barite	Heating Oil	Potable Water
	Cement	Inks	Recovered Oils
	Chemicals	Liquid Waste	Salt Water
	Compressed Gasses	Lubricants	Sand
	Crude Oil	Milk & Liquid Foods	Sewage Waste
	Cryogenics	Organic Oils	Water

Our readership also includes tank repair facilities, tank cleaning facilities, tank container depots, bulk truck transfer facilities, bulk storage facilities, and waste storage sites as well as manufacturers and vendors of liquid and dry bulk equipment and construction and oilfield equipment.

## VIDEO

*\*Videos cannot include links or be linked to a webpage.*

*\*Videos are NOT available for viewing in offline mode or in the mobile web reader.*

### Specifications

- 100 MB maximum file size
- For optimal performance across our platforms, we recommend that videos be 4 minutes or under. You may send longer videos as long as they are under the maximum file size. However, you may encounter performance/buffering issues with the video.
- Video should include at least ONE extra second of play, as clipping may occur or appear more pronounced
- Videos must be h264 format. We can convert the following to h264:
  1. .MPEG4 (3ivx, DivX, Xvid)
  2. .MOV (Sorenson Video 3, H263, H264, animation)
  3. .FLV (VP6 and Sorenson Spark)
  4. .WMV (WMV, WMV2, MSMPEG, VC-1)
  5. .AVI (Indeo, Cinepak, Motion JPEG, MPEG)

## AUDIO

### Accepted Video Formats

- Waveform Audio (.wav)
- MPEG Audio (.mp3)

### Audio File Setup

- 100 MB maximum
- Filename should have no spaces, use dash (-) or underscore (\_) instead of spaces. If there are spaces in the filename, tracking will not be available for the element.

### Platform

- Web, Apps
- Note the mobile display may differ from the web
